Online Toy Store Promotes Environmentally Friendly and Green Toys

Lucystoys offers toys that are friendly to the environment; they don't cost the earth either.

UK – 4th April 2009 – We have an amazing selection of toys for children, with a new eco-friendly section. The eco-friendly section includes an outdoor section with a fine choice of ideas for children in the garden, such as the Child's Umbrella, tin buckets, miniature metal watering cans plus also gardening outfits! Growing plants from seeds is fun for kids and the range includes “Grow your own Four Leaf Clover” and the “Root Viewer”.

For more information about our toy selection, browse www.lucystoys.co.uk for more information.

The screenshot shows the Lucy's Toys website homepage. At the top, the logo "Lucy's Toys" is displayed in colorful letters, followed by the phone number "0845 3733517" and a "24 hour" service indicator. There are icons for Google Checkout and various payment methods (Visa, Mastercard, American Express, PayPal). A navigation menu includes "Our Home", "Find it quick", "Toy stories", "FAQ", "Web Links", and "Help". Below the menu, a breadcrumb trail reads "You're here: Home".

The main content area features a search bar on the left and several promotional banners. One banner for "POSTAGE IS FREE FOR UK ORDERS" mentions using Royal Mail. Another banner for "THE FIRE DEPARTMENT" shows a fire truck. A "TopClock" banner advertises a "Huge range of clocks" with an image of a clock. Below these, a news article titled "Lucys Toys: Toystore for the UK" is featured, with the sub-heading "CLASSIC WOODEN CHESS SETS".
